acceptance; also his letter to General Sherman in 1876. The first strikes Good Iron Moulders, best campaign document that has appeared; the latter could not have ady Work, Good appeared; the latter could not have been more admirably timed to the present exigency had it been written present exigency had it been written yesterday; it shows Hancock as a man of brains and versatility, with statesmanlike breadth and journalise the acceptance, Repellants, Blankets, etc.,

paign of 1884 will be conducted by entirely new political organizations, upon issues altogether outside of those now before the people. One thing at a time, however. The first business is to "save the country" and as everybody is likely to devote themselves to this occupation, the successful. As a "straw" I will which we invite you, attention, merely add that the democrats are in great good bumor, while their oppon-

TANNERISM DOMESTICALLY.

SAUT LAKE CITY, August 11, '80.

Editors Herald:

Doubts have been expressed that the facting experiment of Dr. Tanner will have any scientific value. Be that as it may there can be no doubt that Tannersine will have consider able domestic influence. A rigidly economical husband may want the wite of his bosom to undertake a little experiment of that kind. Is Hancock's Political Genius-Drift that Tannerism will have consider able domestic is fluence. A rigidly
